He was promoted to Head of Strategy at Santander Group and to Chief of Staff of the Executive Chair, Ms Ana Botín, to whom he will report directly. Mr. Angel came to Brazil on early 2014, taking a key role in the growth of our business, standing out as one of the most relevant leaders in building what is Santander Brasil today. Upon taking this new role, Mr. Angel Santodomingo will step down, on March 20, 2023, from his role as Executive Vice President of Santander Brasil.

As his successor for the position of Executive Vice-president, with the roles of CFO and Investor Relations Officer of Santander Brasil, the Board will appoint Mr. Gustavo Alejo Viviani, an economist graduated from the Pontifícia Universidade Católica de São Paulo and CFA (Chartered Financial Analyst) from the CFA Institute. Mr. Gustavo has been with Santander Brasil for 23 years now, with relevant passages and material results in areas such as Risks, Corporate Banking and Collections. Santander Brasil hereby publicly registers its gratitude to Mr. Angel's relevant contributions to the Company. During his tenure Santander Brasil has had its Investor Relations Program and Team repeatedly ranked as best in class in LatAm by the Institutional Investor rankings. The members of the Board of Officers and of the Board of Directors wish Mr. Angel great success in his new roles and, equally to Mr. Gustavo Alejo, in his new roles with Santander Brasil.

A hand-over period will begin immediately, lasting until March 20, 2023.
